

# European Exploration Exam Review

## Exam Format:

- I. Multiple Choice (20 questions)
- II. Matching - Conquistadors (8 questions)
  - Match conquistadors with an appropriate place/geographic feature.
- III. Map (17 questions)
  - Identify European land claims (Spanish, French, Dutch, English, Portuguese).
  - Identify where explorers went.

\*\*\*Final grade is calculated by dividing number of correct answers by total number of questions (45). (Example: 41 correct is a 91, 38 correct is an 84.)

Important Terms/People:

Reinforce your understanding of these by creating flash cards or a quizlet. You can also create a study guide with bullets for each term/person. Your definitions should be specific to what we learned about each term/person in this unit of study. This will save you time.

Norsemen  
Scandinavia  
Crusades  
Renaissance  
navigation  
printing press  
Prince Henry the Navigator  
King Ferdinand and Queen Isabella  
sponsor  
San Salvador  
Hispaniola  
Northwest Passage  
Quebec  
Hudson River  
Vespucci  
Verrazano  
Cabot  
Cabral  
Dias  
Da Gama  
Magellan  
Cortes  
Pizarro  
Ponce de Leon  
de Soto  
Oñate  
Balboa  
Coronado  
Cabrillo  
Cabeza de Vaca  
Champlain  
Cartier  
Hudson

### Important Concepts:

How did the Crusades and the Renaissance lead to European exploration of the Americas?

The importance of Christopher Columbus

- What was unique about his first voyage?
- What should he be commemorated (remembered) for?
